

Product Name	Tinned Copper Earth bar 520x50x6   10x Terminal
Product Code	T10EB520
Application	Grounding/Earthing And Lightning Protection
Applicable Standards	BS1433 / BS2874

Product Information	
Dimensions	520mm (L) x 50mm (W) x 6mm (T)
Material Type	C101 Copper
Coating Type	Tin Plating
Terminals Diameter	ISO M12 / ISO M10
Terminal Numbers	10 Terminals
Insulators	1.5kV (Resin Type)
Mounting Bracket	Stainless Steel Sheet
Earth Bars Are Pre-Assembled and Ready for Installation
