

Product Name	Handy Cap
Product Code	HCP
Application	Grounding/Earthing And Cathodic Protection
	Electrical & Weather Insulation

Product Information		
Material	Four-Carbon Alkyl Radical (C ₄ H ₉) Mastic	
Service Temperature	-40 to +85 °C	
Application/Storage Temperature	-29 to +48 °C	
Adhesion To Steel	1.75 N/mm (Primed Steel)	
Protective Cover	Hard PVC Sheet 70x100x0.25 mm	
Flame Retardant – Oil and Water proof – Self Extinguish		
Types		
Ord. Code	Dimension (ASTM D1000)	Application Method
HCP1 IP (Integrated-Priemer)	100x100x3.2 mm	No Primer Required Installation on bare Steel
HCP2	100x100x2 mm	Installation on Primed Steel
List Of Accessories:	-
